CHURCH ATTENDANCE

Sunday Divine Liturgy (6/10) — 80

Moleben to the Most Holy Theotokos (6/12) — 8

THE MAIN THING

“You must not be greatly troubled about many things, but you should care for the main thing — preparing yourself for death.” — *Saint Ambrose of Optina*

HOLY DAYS ARE IMPORTANT. As Orthodox Christians, we are called to sanctify not only Sundays, but also the various Holy Days that are celebrated on weekdays. This means that we should be attending and participating in these weekday celebrations. Include these holy days in your scheduling plans. School is not in session during the summer, so the kids should be coming as well. If you can't attend the morning Liturgy, at least try to attend the Vespers service on the evening before. Ideally, we should plan to attend BOTH services! We need to do much better in this area, if we want to remain spiritually strong.

WHERE DO WE FIND PEACE?

“Wherever God is — there is peace. And the opposite is self-evident: where there is envy, enmity, impatience, self-love — there is the devil. Wherever the devil is — there, everything is ruinous, proud and hostile.”

— *Saint Anatoly of Optina*
